DESCRIPTION: Proposed installation of a drilling barge, well canal and protection structure, barge loading area, and conduct wheel washing for the Manila Village North Prospect Well (State Lease 19949). Access for the proposed well location was previously prop washed and permitted under P20111339. No prop washing will be required for access, however approximately 13,190 cubic yards will be prop washed for the well canal, slip, and barge loading area.

Approximately 3.045 acres of open water habitat may be impacted as a result of project activity.

NOTICE the Louisiana Department of Natural Resources, Office of Coastal Management (OCM) has received the above application for a Coastal Use Permit (CUP) in accordance with the State and Local Coastal Resources Management Act of 1978, as amended, (Louisiana R.S. 49:214.21-214.41), and the rules and regulations of the Coastal Resources Program. Applications for the proposed work may be inspected at 617 North 3rd Street, Room 1078, Baton Rouge, LA or on the OCM web page at: http://dnr.louisiana.gov/index.cfm?md=pagebuilder&tmp=home&pid=591. Copies may be obtained upon payment of cost of copying. Written comments, including suggestions for modifications or objections to the proposed work and stating the reasons thereof, are being solicited from the public. Comments must be received within 25 days of the date of publication of this notice. Comments should be uploaded to our electronic record, but may be mailed, faxed or emailed to the designated OCM Reviewer. All comments must contain the appropriate application number and the commenter's full name and contact information.

The public comment period for Coastal Use Permit applications begins on the date of publication of notice in the official journal (The Advocate), in accordance with LAC 43:I. 723(C)(5)(c). OCM will provide this date on request.

Any person may request, in writing, within the comment period specified in this notice, that a State or Federal public hearing be held to consider this application. Requests for public hearings shall state, with particularity, the reasons for holding a public hearing and must contain the name and contact information of the requester.
